

## What is a Post-Graduate or Graduate Student?

A post-graduate or graduate student is someone who has earned a bachelor's degree and is pursuing additional education in a specific field. The two main post-graduate or graduate degrees in the United States are the **master's degree** and the **doctoral degree**. Both degrees involve a combination of research and coursework. Post-graduate or graduate education is characterized by in-depth training and specialized instruction.

## Come to Let's Go America! and...

- Meet with admissions officers from U.S. universities and discuss your study plans.
- Discover opportunities to further your studies (master's or doctoral degree) in the United States through the Fulbright Program.
- Become a member of the Young Southeast Asian Leaders Initiative Program (YSEALI).
- Consult with EducationUSA Advisor on higher education opportunities in the U.S.A.
- Understand more about the Visa Application process and learn about Tourism in the United States.
